

Manju Bagdwal

Director, Administration

Manju Bagdwal plays a key leadership role in ensuring the smooth and efficient functioning of the organization's administrative operations. With nearly 30 years of experience, she brings deep expertise in organizational planning and operational oversight. Her work ensures that internal systems effectively support the programs, partnerships, and long-term goals.

She is responsible for overseeing daily operations, managing budgets, ensuring regulatory compliance, and coordinating support across teams. A highly focused and results-driven professional, Manju excels in managing complex, deadline-driven operations. She is a proactive problem-solver and a clear communicator, known for her methodical approach to high-pressure situations.
